The request must be received through the website or by the Madison County Board of Elections by 5 p.m. May 7, 2024.

All voters who are registered with the political party of the candidates on the ballot are eligible to vote in the second primary. Additionally, voters who are not affiliated with any party and who either didn't vote in the first primary or voted the ballot of the party for which the second primary is being held are eligible to participate. For example, if a second primary is held for the Republican nomination for lieutenant governor, then all registered Republicans and unaffiliated voters who did not vote or voted the Republican ballot in the first primary would be eligible.
