COVID-19 DAILY UPDATES

February 22, 2021 marks the fifth day in a row that hospitalizations have gone down in NC. The latest numbers show 1,647 people currently hospitalized due to the virus, 61 fewer than February 21, 2021. The state hasn't seen so few hospitalizations since Thanksgiving. North Carolina data on hospitalizations is based on reporting from 95% of hospitals statewide.
