

This Blue Ridge gem in Western North Carolina — just 20 minutes from Asheville — is home to over 55,000 acres of National Forest providing a majestic backdrop to the world's third oldest river — our mighty French Broad. Our timeless tradition of musical history which is known worldwide will accompany you as you share the majesty of nature and the rural abundance of our small town heritage. We offer outdoor sports for all cycling adventures along our country roads or a good horseback ride. Better yet — experience our natural hot springs, one of only two east of the Mississippi. Come and you'll see. Life in Madison County is the way life should be... easy living with a song in the air.
