MADISON COUNTY INSPECTIONS AND ZONING

Before you call for any inspection please make sure that your job is ready for an inspection. Please provide any manufacturer's setup manuals, setup specifications or other relevant documentation.

- All piers are installed, tie down straps and anchors installed and comply with manufacturers specifications
- Water and sewer lines installed to State Code. Insulate the water line above ground except in crawl spaces when masonry underpinning is used.
- Install vapor barrier on the ground in the crawl space where required.
- All electrical work must be completed to current National Electric Code.
- All porches, steps, and decks installed per the N.C. Residential code for decks.
- The home must have positive drainage under the home so that no water can run underneath the home. Please make sure that water is running away from the home.

The undersigned affirms that all requirements of the Madison County Land Use Ordinance and any applicable building codes will be met and followed.
