North Carolina COVID-19 Metrics

Updated Monday-Friday by the NC Department of Health and Human Services at approximately noon. Last updated 1:10 p.m., March 15, 2022.

We are currently investigating an issue resulting in lower than expected total tests today. The Daily Percent Positive currently reflects data from March 14, 2022. Percent positivity and total testing data will be updated when the issue has been resolved.

Delays in laboratories reporting tests to NCDHHS may occur as laboratories are processing unprecedented numbers of COVID-19 tests.
