

MEETING AGENDA

Madison County's Opioid Engagement Session will solicit input and discussion from municipal leaders and the public on the County's national opioid settlement allotment.

I. CALL TO ORDER

County Manager Rod Honeycutt will call to order Madison County's Opioid Community Engagement Session.

II. ROLL CALL

County Manager Honeycutt will conduct a roll call of those in attendance and recognize officials from the County and its incorporated municipalities: Marshall, Mars Hill, and Hot Springs.

III. OPIOID SETTLEMENT PRESENTATION FROM HEALTH DIRECTOR

Madison County's Health Director, Tammy Cody, will lead a presentation on the national opioid settlement and the evidence-based strategies approved under [North Carolina's Memorandum of Agreement \(MOA\)](#).

IV. OPEN DISCUSSION

County Manager Rod Honeycutt will facilitate open discussion between Health Director Cody, County officials, and representatives of the municipalities for a period not to exceed thirty minutes.

V. PUBLIC COMMENT

Members of the public in attendance will have opportunity to share their perspective(s) on Madison County's national opioid settlement allotment for a period not to exceed thirty minutes; 3 minutes per person.

VI. ADJOURNMENT

County Manager Honeycutt will adjourn the meeting and request highlights of the meeting be made available to the public.
