Doses Administered by Week

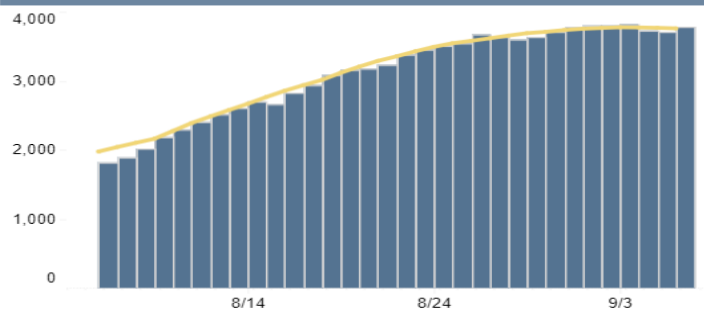

Data below come from North Carolina's COVID-19 Vaccine Management System (CVMS). This data does not include data from providers not reporting data to the state including Veterans Affairs, U.S. Department of Defense, Federal Bureau of Prisons, and Indian Health Service. Therefore, these sections of the dashboard undercount the true number of doses administered to North Carolina residents.

Date of Vaccination Administered is missing for 629 doses.
